Watch this place...20 years and counting

The Southville Centre is located in a spacious grade II listed Victorian building. We are centrally located in a safe, attractive part of Bristol.

We've got the perfect room for you whether you are holding a small meeting, a large conference, a training event, an exercise or evening class, a community activity or a party!

We can accommodate birthday parties for young and old, Christenings or naming ceremony celebrations, wakes and memorials, anniversaries, engagements, retirement parties...and any other special occasion. Our function rooms are versatile and we can accommodate small (from 15 people) and large events (up to 120 people).

Please contact us or visit our website www.southvillecentre.org.uk for further information about our rates and availability.

How to support us?

Make a Donation

As a registered charity we are very grateful for donations. The money you give will go directly to the local area and will add value to the lives of people in BS3.

You can pop change into our collection box at the reception desk, set up a direct debit, or make a one off cash, cheque or card payment – every penny really will help us in our efforts to improve our community. Thank you!

Remember us

If you have used the Centre and appreciated the difference it has made to you, your children, your parents or your local area we would be honored if you chose to remember us with a bequest large or small in your will. Thank you.

Down memory lane

The Southville Centre is celebrating its 20th Birthday this year.

We would like to mark the occasion with an exhibition of the images of

the building, both past and present. Do you have any photographs of the Southville Centre when it was a school, or in the early years of its transformation?

Or photos of the people who have used the Centre over the years, perhaps

National recognition for your local Social Enterprise

Thank you for everyone who wished us well for the National Social Enterprise Awards hosted by the Social Enterprise Coalition. We were proud to be shortlisted and even prouder to be named as runners up!

Grow and pick your own

Plans are underway to develop part of the SC garden; we will be installing a natural sheltered area to give all year round enjoyment of this precious urban space.

We are also planning to incorporate an “allotment” were the nursery and afterschool club can grow and harvest vegetables. The café will then prepare the produce and the children can enjoy the fruits of their labour!

The Elderly Day Care group will be helping to maintain the space; giving them gentle exercise outdoors and the chance to share their knowledge and experience with the children.
