"It's a girl thing"

Do you know any girls 11+ that would enjoy coming to a group held at the Southville Centre run by Bristol University Student Union?

On Sunday we will be hosting a drop in event where girls and their parents and guardians can come and find out what it's all about. The regular group will run on Tuesday evenings 7-9 and will include film nights, yoga, cookery, dance and more.

It's a great way of staying in touch with friends and an even better way to make new ones!
