

Mission Statement:

To Promote and support community development and resources provided by a thriving, sustainable Business that meets community needs.

Aims:

1. To encourage community involvement and participation in SCDA and the Southville Centre facilities.
2. To be a financially sustainable organisation, generating surplus through a thriving business which meets the needs of the Community.
3. To promote and support community development in the local area.
4. To be a dynamic organisation that strives to set the highest standards in governance, management and service delivery.
5. To be as environmentally efficient and sustainable as possible.
